Newsworthy

Resident of the month- Lorene K. is a Kansas native. She has spent most of her adult life in Weiser, Idaho where she was friends with Loralie's grandfather. Small world. She was a secretary for the Department of Agriculture. When she retired she traveled in an RV to various warmer locations. After this winter sounds like a great idea.

Employee of the month- Betsy A. Thank you for your loving care of our precious residents!

- Stars & Spurs Puppet Spring Show will perform April 11 at 2:30 p.m.
- Inspire Dance School will have a spring recital Saturday the 22nd at 1 p.m.
- We will be planting a garden this year by the gazebo. We will be focusing on herbs and some vegetables (salsa is on the agenda.) Any ideas or favorites please let Loralie know. All will be welcome to help dig in the dirt. If family members find themselves with extra plants that they would like to donate, it would be appreciated.
- We have been chosen to be adopted by local families as part of an Adopt a Grandparent program. Those residents without close family will be the first to be adopted.
- Treble Clef will be performing their Spring Recital April 28 at 2:00 p.m. followed with Ice Cream. This lovely group donates their performance fees to 2 not-for profit organizations- International Children's Surgical Foundation and the Interfaith Sanctuary. They are such a blessing!
