Father's Day

Noteworthy

Resident of the month-Willard & Bethene-Willard is a Texas boy who after serving in the Air Force in WW II made it back to Idaho where he met his sweetheart Bethene. He opened an automotive business and Bethene did the books while raising their two children. After the kids started school she started working in the school library until she retired. They square danced as a couple....bet they were a sight to see.

Employee of the month-Monie B. is our activity assistant in Memory Care. She moved here from California to be near to her family. We are blessed to have her bubbly, colorful, kind personality here to love on our special residents.

- Stonebridge Foot Clinic is raising the price to \$25.00 for their foot services. We did check around to see if that was the market rate. Some other facilities are paying \$30.00 so we will stay with Stonebridge.
- We will be having a crazy hat and/or tie contest June 16 for our Dad's. If family members have any of their old ties or hats that they could bring them that would be great!
- What's Lucky in June?

- We will be offering a monthly Catholic Mass later this summer. I will send out a notice when we get a definite date.
