## International Day of Friendship

*July 30*

## Noteworthy News

Resident of the month- Barbara M. comes to us from Laramie Wyoming. She is always at activities or the puzzle table. She has even started calling Bingo on occasion. Barbara is such a great addition to our Grace family. Thank you for all you do!

Employee of the month- Kelli W. is one of our newer caregivers and what a great addition she is. She is married to David and loves to run which is helpful since she gets plenty of running here. I am told she loves chocolate and I hope her sweetie takes care of that for her. Thank you for all your hard work!

- The Fourth of July is upon us and we will be having a BBQ that day for lunch if you will be joining us please sign up at the front desk.
- We had a great time visiting the residents at the State Street Grace Assisted Living in June. We have invited the residents of our other Boise facility at Englefield Green to come visit us and have ice cream.
- If anyone in your family is musically talented please let us know. We have recently enjoyed hearing grandchildren and great grandchildren perform for us much to our happiness.

## STONEBRIDGE FOOT CLINIC

July 14 9:00 – 12:00

\$25.00 sign up at the front desk
