NEWSLETTER FOR AUGUST

August is said to be the “Dog Days Of Summer” This phrase seems to be appropriate as the weather has been pretty warm. It is really nice to see many residents going with families on outings and overnight trips when able. We hope all Family members are having a great summer and getting to vacation and do the things you enjoy. When in the facility please feel free to stop in and chat with Management members for any updates you or family members may have. We all wish you a very Happy and Fun Summer!!!

NURSING NEWS

Again Nurse Kayla wants to remind us all of how important it is to stay **HYDRATED** During these **DOG DAYS** of **SUMMER!** Drinking water is good for the body. She also tells us to be mindful to wear a hat, use sun screen, bring an umbrella and know our limits when being out in the heat!! She wants to announce that Gertrude (Med Tech) Has moved into the office to be an assistant to Kayla and Jody!! Enjoy the rest of your Summer!!

ACTIVITY NEWS

We just purchased a new **BINGO** machine 😊 larger balls and numbers you can actually read. 😊😊 It will sure make this guys life nicer (lol). We also ordered some really large Crossword Puzzles that we will do as a group and maybe be able to solve them. Of Course will continue with our weekly shopping trips, Mystery rides and our monthly Lunch Bunch. This Month we will be going to Casa Mexico for some Yummy Mexican food. Again hope to see everyone in some type of group and yes families are always welcome. Happy August.
