## Noteworthy News

Residents of the month- Ray & Lorene F. have been a special addition to our community. Ray met his beautiful auburn haired wife during a Navy leave in WWII. They met again after the war and started their lives as ministers and church planters. Their family is a great source of joy and pride as they provided the musical instruments for their grandchildren to learn on. They love to hear all of them perform as do we.

Employee of the month- Maria M., or Queen Bee as her co-workers nicknamed her, works in our Memory Care unit. She loves to dance and travel but will soon be staying home for a while to take care of twins due in January. How exciting Mama! Thank you for loving on our residents.

- Our resident garden is providing fresh cucumbers and tomatoes. Three watermelons are on the vine. YUM!
- We have settled on Faith Community Bible Church to attend on Sunday mornings. If you would like your loved one to attend let Loralie know. 884-8080. The bus leaves at 9:30 and we have them back in time for lunch.
- We welcome suggestions and ideas for activities and musical acts. We have received numerous recommendations from family members. Contact Loralie at 884-8080 with any resources you may have.
