International Square Dancing Month

Ice Cream Shake Month

Assisted Living Week *September 10-16*

Good Neighbor Day *September 28*

Newsworthy

Residents of the month- Loyd & Teresa R. came to us from Arizona to be close to their daughter. Loyd is a WWII Navy vet who caught the eye of his beautiful bride in church. He called her by her nickname Sunny. Loyd caught the second biggest Salmon in Alaska, a whopping 69#. WOW! They have been married 71 years. Welcome to the family.

Employee of the month- Esperanza in housekeeping. She was born in Zamora, Michoacan, Mexico. She is married to Bruno with two grown children. She loves to dance and to help our residents. Thank you for all you do!

- Our residents have enjoyed several outings to our State Street facility for special events. We will be going to Eagle Island Park to play racquetball with the State Street residents Monday September 11.
- Just a reminder that our activity room is available for Birthday parties or family gatherings in the evenings or weekends. Call Loralie (208)884-8080 or stop by the activity room.
- We will be starting Watercolor art classes September 20. Our first painting will be fall leaves.
- Good neighbor day is September 28. Invite your neighbor for a cup of coffee or tea. We will be baking cookies to take to our neighbors in the facility.
- With fall upon us we will be enjoying fall colors and flavors. You might help assist your loved one with fall door décor.

STONEBRIDGE FOOT CLINIC
