ALL ABOUT SAFETY

Michael our maintenance director wants to tell everyone that according to state regulations, extension cords are not allowed to be used in any part of this facility. He asks that you please check all outlets that are being used and if necessary you replace extension cords or extra outlet plug ins with a power strip or surge protectors. Thank you for your cooperation in this important matter!

ACTIVITY NEWS

Again a warm welcome to all of our new residents! I hope to see everyone in an activity group or at a music or special event. Remember to check your activity calendars for an activity that may interest you. If you are a Pinochle player, the group is growing and are having a great time. **PLEASE REMEMBER** to put **CELL PHONES ON VIBRATE WHEN IN GROUPS!** If you get a call please take it out of the Activity Room! Family is always welcome in activity groups!
