A WARM Welcome to all as June is here! 😊 First of all Dawn and Miranda say “Hello” and want to remind everyone that the Bus runs to appointments on Tuesday & Wednesday from 9:30 to 3:00. There are only 4 spots on each day and times fill up very quickly. Remember to make your appointment as far in advance as possible or if you need help don’t hesitate to stop in. We want everyone to make it to their appointments, it is very important! Thanks  
 It is also very important to all of us in the office that everyone gets to take care of what they need and speak with the person they need, however we ask that everyone ring the bell at the reception desk and not just come into the back. Due to confidentiality concerns it is imperative we consider everyones issue’s with the utmost privacy. Thank-You for your cooperation! Wishing a Great month to all!

Krystal wants to inform everyone on STROKES! F A S T This stands for FACE DROPPING—ARM WEAKNESS—SPEECH DIFFICULTY—TIME TO CALL 911. These symptoms are all signs of a possible stroke. If someone shows any of these symptoms, even if the symptoms go away, call 9-1-1 and say, “I think this is a stroke” to help get the person to the hospital immediately. Time is important! Don’t delay, and also note the time when the first symptoms appeared. Emergency responders will want to know! Handouts available in Randy’s Office!!

Happy June! This month we will be having Father’s Day Goodies on the 15<sup>th</sup>, Great Music, Shopping, Mystery Ride is back, Lunch Bunch to Andrade Mexican Restaurant, In House Lunch Bunch, Health Education on “Hydration”, Possibly a Picnic in the park and more! Don’ forget to attend Resident Council on the 19<sup>th</sup> and remember the sign up book for shopping, outings etc... is at the reception desk (sign up) See you in Activities, Randy 😊😊
