### *- A Note from Morgyn -*

Winter is coming. I am so excited to see snow on the ground for this holiday season. The holidays are a great time to spend time with your family. Please be careful when walking outside as there may be ice on the sidewalks. At all of our exit doors, Eric has placed a bucket with ice melt, for all of your safety. Please make sure to bundle up with jackets to fight the cold weather.

Happy Anniversary to the J.D. & Mary!

J.D. and Mary grew up right down the road from each other. They went to high school together here in Nampa at Nampa High, and from then on, the story does not end. They started dating in high school, and then J.D. went on to the join the Air Force during the Korean War. When J.D. was home on leave for the holidays, they decided to get married on Christmas Eve of 1951. They got married at the United Presbyterian Church here in Nampa with about 250 people joining them. They have two children Dennis and Luann. Mary worked as a Registered Nurse, and then the two of them opened their own business here in Nampa known as Simpson Building Supply, in which they eventually passed down to their son. Together they have 4 grandchildren, and 12 great grandchildren. J.D. and Mary say that they have kept their love alive by being the best of friends and never having a fight. They say they always worked together to keep their love alive. They moved here to Grace with their dog Allie in September of this year. J.D. and Mary love to celebrate their anniversaries at Cracker Barrel.
