## ALL ABOUT SAFETY

Chad our new maintenance Manager says hello and looks forward to meeting everyone. He wants to tell everyone that according to state regulations, extension cords are not allowed to be used in any part of this facility. He asks that you please check all outlets that are being used and if necessary you replace extension cords or extra outlet plugs with a power strip or surge protectors. Thank you for your cooperation in this important matter!

## ACTIVITY NEWS

Again a warm welcome to all of our new residents! I hope to see everyone in an activity group or at a music or special event. Remember to check your activity calendars for an activity that may interest you. If you are a Pinochle player, the group is growing and all are having a great time. **PLEASE REMEMBER** to put **CELL PHONES ON VIBRATE WHEN IN GROUPS!** If you get a call please take it out of the Activity Room! Family is always welcome in activity groups!

## CONGRATULATIONS

Pascal is "Employee of the Month". He is always respectful to staff and management and willing to lend a helping hand whenever there is a need. He is Dependable and reliable. Congratulations!! 😊😊

The Resident of the Month is Shirley N. She enjoys interacting with her peers in groups, at her dining table and throughout the facility. She is very social and participates in most all of the facility outings, groups and still goes to her RED HAT group with friends! A big thanks from Activities and Management for all you do! 😊😊
