In the Good Ol' Days of June In 1919 (100 years ago), the average annual income was \$1,125. The average cost of a new house was \$5,626. A loaf of bread was 10¢, and a gallon of milk was 62¢. You could purchase one dozen eggs for 38¢. Stamps were 2¢ each. A car cost \$355, and gas was 25¢ per gallon. According to the Consumer Price Index Calculator, \$1 in 1919 is equivalent to \$14.89 today. Many of you remember the good ol' day when Boise was a small town and Eagle was farm land with dirt roads. Based on the traffic and road construction we all know what is happening. Lots and lots of people are moving to the treasure valley. Star is the fastest growing city in Idaho followed by Meridian, Middleton, Kuna and Eagle.

June Outing

Saturday June 8th is free fishing day. We don't know which fishing hole we will be dropping our lines into. We are working on the detail.

Breakfast with Brittany will be on Monday June 10th at Joe Momma's in Eagle.

Lunch Bunch will be on Monday June 17th at Caci-Wood Fired Sicilian Grill.

This Month's F.Y.I.

Please keep all valuable in your locked drawer. For example: jewelry, money, your favorite chocolate. Do not keep large amounts of cash. If your locked drawer is not working please let staff know so it can be logged in the maintenance book.
