A WARM Welcome to all as June is here! 😊 First of all, by now most of you are aware of our new KEY PAD SYSTEM on the front door and two back side doors. A letter has been given to all residents and an extra for them to give to family members with this containing the code. The doors will remain unlocked and open from 8am until 5pm at which time they will lock and a code required to enter. The Two doors in the front by the laundry room and by the kitchen will continue to need a pass key to enter. We hope you like this new system. While on safety ALL RESIDENTS should remember it is a good idea to lock your apartment doors and especially when not at home! Wishing a Great month to all!

NURSING NEWS

Nurse Kathy and her Assistants Harleigh and Tayla in the Office want to remind you about making sure you let them know about Doctor appointments. You need to let them know at least 5 days in advance, but the sooner you can let them know the better as there are only 3 or 4 openings on Tuesday or Wednesday ONLY! Be sure and let the office know about any med changes as soon as you return from the doctor. There have been several hearing aid batteries donated and if anyone has a need for them, Please check with the office to see if they have the ones you need! FREE FREE FREE. Have a Healthy Month!
