Fancy Hat Fridays Have been quite the hit lately! However, some residents just have the creativity to take it a step outside the box! Zola is one of them! Here is a sample of her previous Fancy Hats, and I'm sure there is only more to come! Check out her creativity and future hats every Friday! Who knows? Maybe her creativity is contagious!

Nurse's Corner:

This month, the Nurse's Corner wants to introduce someone we're sure you must know! Stephanie, who was previously a Med Tech and Care Giver is now the new Nurse's Assistant. Stephanie started her career with Grace a little over a year ago when Grace Caldwell opened up. She has a heart for giving, and helped raise her niece and nephew, which makes her a perfect fit for her responsibilities. Want know know a little more about Stephanie? She also hates bacon, and loves pumpkin pie! She has been working very hard to get acclimated to her new job title, and we are excited to welcome her to the front office staff!
