Pool Players?

If you have ever wanted to learn the fine art of playing pool now's the time. Don F. is willing to teach techniques and rules. Let Loralie or Don know and we will get you started. Ultimately we are going to get teams and tournaments going.

Join us Saturday October 26 for our Harvest Fall Festival between 2 and 4 p.m. We will feature music with the Bobby Darin duo and have food, drink and dancing.
