ALL OF ABOVE
DEPENDING ON OPENING

FROM THE ADMINISTRATOR

Harleigh wants everyone to know that there are no real changes to report on at this time. The Governor has proposed a four stage plan to reopen the state and this will all depend on the progress and the decline of the virus and department of Health updates. We will continue to take things day by day, stay safe and hope for favorable outcomes as soon as possible!

At this time the delivery and visitation protocol will remain the same. All residents or families are welcome to visit the website if unsure of changes or a printed version is available at the front desk. Again all of us here at Grace appreciate your understanding and patience at this time and remember it affects us all and together We will get through it!!

NURSING NEWS

Thank you, Thank you, Thank you ALL for everything you are doing to keep our community safe! We know these times are tough and we just want to express our gratitude for your willingness to cooperate with these changing times! We can get through this by working together! Just a reminder, when opening your mail, it is best to wash your hands after as a precaution! When going to an essential appointment, please wear a mask and wash your hands before and after your visit to prevent the spread of infection! If you are not feeling well, let one of the staff members know and stay in your room until the nurse can come and assess you! We hope you all have a wonderful spring (considering)!! WE CAN BEAT THIS TOGETHER 😊😊😊 Chelsea, Carrie, Kendra

HOPE TO SEE YOU AT AN ACTIVITY EVENT!! RANDY
