In astrology, those born between June 1 and 20 are the Twins of Gemini. A Gemini's dual nature is expressed through skillful communication and dynamic sociability. The Twins are energetic, quick-witted, optimistic, and emotionally intelligent. Those born between June 21 & 30 are Cancer's Crabs. Crabs care deeply about their family and home. After all, they carry one on their backs! Guided by their hearts, Crabs are sympathetic and loyal friends and imaginative collaborators.
