I want to thank the entire staff at Grace for all your kindness. My mom loved it there! She was always telling me how great the staff was — how kind they were and how much fun she was having. Sometimes it almost sounded like she was on a cruise! The games — Hawaiian Day — when the 15U football players served lunch — the excursions to various outside destinations. *a world of gratitude*
All made my mom's time at Grace a blessing for us, and a much happier life for her. She very much treasured the people there, both staff and residents, and she had friends there who meant so much to her. Gone far too soon, she would want to tell you all "thank you" for making her life better. Sending you her love, her daughter

The enclosed is a
donation to Grace in
memory of Arlie Lyons
Bybee.

He said unto me, "My grace is sufficient for thee."
II CORINTHIANS 12:9 KJV

My mom loved it at Grace. She loved
the staff and the residents. It made
her sad whenever "lock down" had to
happen, and wanted the residents to
socialize, play games, tell stories, and
do outside activities as much as possible
so their lives could be enriched. To
that end, she would want us to assist
her wish in any way possible. To help,
here is a check to help pay for gas for
the bus, new games, etc. Thank you for
making her last few months better. Her daughter

Donation to the Grace Assisted Living
activity funds in the memory
of Arlie Bybee —

Thanks so much for making her last
several months of life very memorable
and satisfying and full of friends !!!

Cathy Bybee — daughter in law
Heather Bybee — grandchild

I have heard great things about Grace Independent & Assisted Living. This donation is made in memory of Arlie Bybee. She wanted to especially recognize the Resident Programs. Her daughter spoke highly of how happy and satisfied she was there.

I would appreciate you letting Gale know of this gift in honor of her moms memory.
